Living Well with Sarcoidosis

A Quarterly Virtual Patient Education Series

SRI SARCOIDOSIS RESEARCH INSTITUTE

Join us for our first in a series of virtual educational events - this 1 hour gathering will feature a presentation followed by a Q & A period and then YOU can participate in a "popup" support group!

The series is produced by the Sarcoidosis Research Institute, and our first session is November 14, 2026, 3 -4 pm EST focusing on skin sarcoidosis.

Our speaker:

Ogugua Ndili Obi, MD, MPH, MSc(Epid), FCCP

Associate Professor of Medicine (with Tenure)
Dir., Sarcoidosis Center of Excellence at East Carolina University
Co-Director, Sarcoidosis/ILD Program
Division of Pulmonary, Critical Care and Sleep Medicine

Dr. Obi will discuss:

- **Skin Manifestations**
- **Diagnosis**
- **Treatment Options**
- **Psychosocial Impact**
- **Current Research Initiatives**
